

Date: March . 2016

CURRICULUM VITAE

Eyal Winter Professor of Economics
The Hebrew University and The University of Leicester

1. Personal Details

Born July 13, 1959

Nationality: Israel, Germany

Languages: Hebrew, English, German, and some Italian

Home: 16 Tavor St., Mevasseret Zion, Israel

Phone: 972-2-533-6234

Office: Department of Economics, and Center for the Study of Rationality

The Hebrew University of Jerusalem, 91904 Jerusalem, Israel

Office: 972-2-658-4514

Mobile: 972-54-8820034

Fax: 972-2-651-3681

E-mail: mseyal@pluto.huji.ac.il

Web page: <http://www.ma.huji.ac.il/~mseyal/>

2. Research Interests

Microeconomic Theory, Game Theory, Incentives in Organizations, Finance, Experimental/Behavioral Economics, Industrial Organization.

3. Higher Education

1983 B.Sc. Mathematics, Statistics and Economics. The Hebrew University of Jerusalem.

1989 Ph.D. Game Theory. The Hebrew University of Jerusalem.

4. Academic Positions

Professor of Economics, the University of Leicester and the Silverzweig Professor of Economics The Center for the Study of Rationality, The Hebrew University

2006-2008 Chairman of the Economics Department, the Hebrew University of Jerusalem.

2008-2012 Director of the Center for the Study of Rationality, The Hebrew University

Former Senior Positions at Other Institutions

Department of Economics, the European University Institute, Florence. Full Professor.

Department of Economics, and the Center for Political Economy, Washington University in St. Louis. Full Professor.

School of Economic Studies, University of Manchester, UK. Full Professor - Research Professorship in Economic Theory.

Former Junior Positions in Other Institutions

Department of Economics, University of Bonn, Germany

Department of Economics University of Pittsburgh.

5. Prizes and Honors

Recipient of the 2011 Humboldt Prize (Germany) for excellence in research

Elected Council Member of the Game Theory Society

Fellow of the Economic Theory Association

6. Other Academic Activities

Advisory Editor for *Games and Economic Behavior*.

Advisory Board for *Mathematical Economics and Game Theory* - monograph series published by World Scientific Publishing Co. Ltd.

Advisory Board for *Neuroscience of Decision Making*.

Co-Director (with Kenneth Arrow and Eric Maskin) of the Jerusalem Summer School in Economic Theory 1999 - 2014.

ERC panel member for the 2013, 2015 calls.

Former Panel Member for the Israeli Science Foundation

Committee chair and reviewer for the Israeli Council of Higher Education (MALAG) in accreditation committees of Economics programs.

The Hebrew University Tenure Committee.

Reviewer for the following journals: *Econometrica*, *American Economic Review*, *Quarterly Journal of Economics*, *American Political Science Review*, *Review of Economic Studies*,

Journal of Economic Theory, Games and Economic Behavior, Economic Journal, International Economic Review, Journal of Labor Economics, Journal of Finance, International Journal of Game Theory, Journal of Law, Economics and Organization, Social Choice and Welfare, Theory and Decision, Mathematical Social Sciences, Mathematics of Operations Research, Economic Behavior and Organization, Journal of Group Decision and Negotiations, Journal of Mathematical Psychology, and reviewer of proposals for various funding institutions including NSF, ISF, GIF, BSF.

7. Research Grants

Jan. 1994. The German-Israeli Foundation: Three-year grant for “Game Theoretic Aspects of Multilateral Bargaining” with Nobel Laureate Reinhard Selten and Shmuel Zamir. (Share of the Israeli side DM 267,000)

Oct. 1994. The Israel Academy of Sciences: Three-year grant for “Team Games: Theory and Experiments” with Gary Bornstein. (total grant USD 43,000)

Jan. 1997. The German-Israeli Foundation: Three-year grant for “Interactive Decision-Making in Committees” with Reinhard Selten and Shmuel Zamir. (share of the Israeli side DM 310,000)

March 1998. European Commission TMR Research Grant (Endear): Four-year grant for “Experimental Economics” with Gary Bornstein and Shmuel Zamir. (Share of the Israeli side USD 200,000)

Jan. 2004. DFG (German Science Foundation): Two-year grant for “A Cross-Cultural Experimental Study of Interactive Decision Making” with Manuel Hassissian, Werner Gueth and Nobel Laureate Reinhard Selten. (Total grant share USD 540,000. The share of Eyal Winter USD 220,000)

March 2006- Feb. 2008 Thyssen Foundation: "Incentives in Organizations: Theory and Experiments." with Nobel Laureate Reinhard Selten. (Total grant EURO 92,000. The share of Eyal Winter EURO 46,000)

Feb. 2008 –May. 2012 DFG (German Science Foundation): for “A Cross-Cultural Experimental Study of Interactive Decision Making” with Muhammed Dajani and Nobel Laureate Reinhard Selten. (Total grant share USD 923,000. The share of Eyal Winter USD 333,000)

2010-2015 Google Research Grant (150,000 USD)

January 2012 – December 2015 German Israeli Foundation “The Design of Mechanisms in Markets” with Alex Gershkov and Benny Moldovanu (Total Grant 198,000 euro)

Jan. 2013- Dec. 2015 Niedersachsen Ministry of Education 'Competitive Group Selection with

Heterogeneous Externalities' with Heidrun Hoppe-Wewetzer (Total Grant 218,00 Euro)

8. Seminars and Short Visit invitations

US: Berkeley, Brown, Bell Labs, Boston College, Boston U., U. of Chicago, Columbia, Cornell, Duke, Harvard, Johns Hopkins, Microsoft at Boston, Microsoft at Mountain View, Microsoft at Seattle, Northwestern, Ohio State, U of Pennsylvania, Penn State, Princeton, Stanford, UCLA, U. of Alabama, U. of Arizona, U. of Pittsburgh, U. of Kansas, U of Michigan, U. of Minnesota, U. of Rochester, U. of Wisconsin, Virginia Polytechnic, Washington U. World Bank, IMF, FTC, CFPB. **Australia:** Melbourne U; U of Queensland, Sydney U., **Austria:** Austrian Science Foundation; **Belgium:** Core-Louvain, ERC-Brussels **Canada:** McGill, U. of British Columbia, U. of Toronto. **China:** China Academy of Science, Peking University, University of International Business and Economics (Beijing), Renmin University (Beijing), Qinghua University (Beijing), Fudan University (Shanghai), Shanghai Jiao Tong University, Shanghai University of Finance and Economics, Xi'an Politechnique University, Xi'an University of Science and Economics, Xiamen University; **Denmark:** U of Copenhagen, U of Aarhus, **Finland,** U. of Helsinki; **France:** CERAS/DELTA, Ecole Polytechnique, INSEAD, Brain & Spinal Cord Institute- Paris, Paris School of Economics, U. of Caen. **Germany:** Bielefeld U. Duesseldorf U., Frankfurt U., HHL Leipzig, Humboldt U.-Berlin, Mainz U., Mannheim U., Bonn U., IZA Bonn, Max Planck Institute- Bonn, Max-Planck Institute- Jena, Deutsche Bundesbank. Waal U- Kleve **Hong Kong:** HKUS, **India:** Indian Statistical Institute-Delhi, University of Hyderabad, Central University of Rajasthan; **Ireland:** Trinity College Dublin, **Israel:** Bar Ilan U., Ben Gurion U., Haifa U., IDC-Herzelia, Technion, Tel Aviv U. **Italy:** U. of Genoa, EUI Florence, Bocconi, **Japan:** U. of Kyoto. U. of Osaka U., Tskuba U., **Korea:** National University of Seoul, **New Zealand:** U of Auckland. **Norway:** U of Oslo, **Russia:** Higher School of Economics-Moscow, Kaliningrad Baltic University, Moscow State University, New Economic School-Moscow, European University- St. Petersburg, Ural Federal University, Ekaterinburg, **Spain:** U. of La Coruna, U. of Alicante, U. of Bilbao, U. of Elche, U. of Granada, Carlos III, Madrid, U. of Malaga, U. of Murcia, U. of Santiago, U. of Seville, U. of Vigo, U. of Valencia, **Singapore:** National University of Singapore, Nanyang Technological University, **Sweden:** Lund U., **Switzerland:** U of Zurich, SFI (Swiss Finance Institute) **The Netherlands:** Tilburg U., U. of Amsterdam, U of Utrecht, **Turkey:** Kos U., Istanbul, Bilkent U., Ankara **UK:** Behavioral Insight Team (London), Birkbeck College, Exeter U., Keele U., UCL-London; Cambridge U., Essex U., LBS- London; Leicester U., Liverpool U., LSE, Middlesex U,

Newcastle U., Nottingham U., Oxford U (econ), Oxford U (Saïid B. School), Queen Mary-London; Royal Holloway, London, Southampton U., Warwick U., York U., Queens University, Belfast; U. of East Anglia **Ukraine:** Muhyla Academy.

8. Teaching

2006 - ranked first among the Economics Department faculty in teaching evaluations.

Courses taught:

First-year Micro (undergraduate), Price Theory/Intermediate Micro (undergraduate), Experimental/Behavioral Economics (undergraduate), Behavioral Economics (Graduate), Information Economics (undergraduate), Math-Econ (undergraduate), Game Theory (undergraduate), Game Theory (graduate), Advanced Microeconomics (graduate), Social Choice and Welfare Economics (graduate), Incentives in Organizations (graduate), Organizational Design (MBA), Industrial Organization (graduate), Political Economy (graduate), Advanced Reading Course for Distinguished Graduate Students.

9. Practice

1. Op-Ed articles in *The Washington Post*, *Los Angeles Times*, *Time Magazine*, *Forbes Magazine*, *The Guardian*, *The Independent*, *Haaretz*, and more.
2. Member of the forum of advisors for the Israeli Finance Minister 2011-2012.
3. Substantial consulting work for government authorities, public organizations and commercial companies.

List of Publications

Books

"Feeling Smart: Why Our Emotions More Rational than We Think" will appear in the US and the UK by PublicAffairs Publishing in Jan 2015. (The book appeared in Hebrew with Kineret-

Zmora-Bitan (2012) and will appear in German with DuMont, in Chinese with Citic Publishing Group, Japanese with Hayakawa Publishing and in Turkish with Bilgi Publishing)

Refereed Journal

1. Heller, Y. and E. Winter (2015) "Rule Rationality" forthcoming in *International Economic Review*
2. Winter, E., L. Mendez-Naya, I. Garcia Jurado "Mental Equilibrium and Strategic Emotions" forthcoming in *Management Science*

3. Israel, S. E. Hart and E. Winter (2015) " Oxytocin Decreases Accuracy in the Perception of Social Deception" forthcoming *Psychological Science*.
4. Gershkov A. and E. Winter (2015) "Formal vs. Informal Monitoring in Teams" forthcoming in *American Economic Journal: Microeconomics*.
5. van Damme; Kenneth G. Binmore, Alvin E. Roth, Larry Samuelson;Eyal Winter; Gary E. Bolton, Axel Ockenfels; Martin Dufwenberg,Georg Kirchsteiger; Uri Gneezy; Martin G. Kocher, Matthias Sutter; Alan G. Sanfey; Hartmut Kliemt; Reinhard Selten, Rosemarie Nagel; Ofer H. Azar (2014) "How Werner Güth's ultimatum game shaped our understanding of social behavior" *Journal of Economic Behavior and Organization* 108 pp. 292-318.
6. Alvarez- Mozos, M. Z. Hellman and E. Winter "Spectrum Value" (2013) forthcoming *Game and Economic Behavior*
